

ACTIVITY REPORT

Event:	E-Waste Collection Drive in collaboration with Sharaf DG		
Venue:	The Westminster School Dubai		
Date: 7 th May-21 st May, 2025	Year /Section: TWS Community		
No of Students and Staff participated: 70% Students and 30% staff	Staff-in-charge: Ms. Jyoti Paraddi		
Skills developed:	<ul style="list-style-type: none">➤ Critical Thinking: Evaluating the impact of e-waste and making informed choices.➤ Problem-Solving: Finding creative ways to reduce, reuse, and recycle electronics.➤ Analytical Thinking: Categorizing e-waste and understanding its components and disposal methods.➤ Decision-Making: Choosing responsible ways to discard old gadgets.➤ Social Responsibility: Understanding the environmental impact and taking meaningful action.➤ Collaboration: Working in teams to organize, collect, and document e-waste contributions.➤ Data Literacy: Analyzing collected data to reflect on the drive's effectiveness and impact.		
Objective:	To raise awareness about the environmental impact of electronic waste and promote responsible recycling habits by engaging students in a hands-on sustainability initiative that fosters eco-conscious behavior and community involvement.		

REPORT:

“Act as if what you do makes a difference. It does.” – William James

We believe every small action fuels a bigger change. From 7th May to 21st May 2025, our school community once again united with a shared goal — to protect our planet by responsibly recycling electronic waste. In its second successful year, the E-Waste Collection Drive, held in partnership with Sharaf DG and the Primary House of Tolerance, stood as a powerful testament to how collective effort can create lasting impact.

Step 1: Sparking Awareness

The Eco Committee, alongside our enthusiastic Green Monitors, launched a vibrant campaign to educate and inspire everyone on the importance of e-waste management. Through lively discussions, posters, and announcements, the message was clear — sustainability begins with us.

Step 2: Taking Action

- Students proudly contributed their old mobiles, chargers, wires, and small electronics, handing them over to teachers.
- Green Monitors collected and meticulously recorded each donation during morning registrations, celebrating every effort.
- Parents and Staff joined hands by sending in e-waste from home and work, proving that environmental care is a shared responsibility.

Step 3: Building Community Impact

The drive not only collected a significant amount of e-waste but also nurtured awareness about the environment's fragility. Together, we showed that mindful choices today build a sustainable tomorrow.

Step 4: Responsible Recycling

With Sharaf DG's expert partnership, all collected items were safely transported and recycled, ensuring eco-friendly disposal and closing the loop on waste.

Step 5: Celebrating Our Champions

We are proud to acknowledge that this year's E-Waste Collection Drive saw outstanding participation, with the highest contributions coming from both our dedicated students and committed staff members. Their enthusiasm and leadership truly powered the success of the campaign. The student who contributed the most was celebrated as our Sustainable Champion, receiving recognition on our social media platforms. Top contributors were also specially honored by Sharaf DG for their inspiring dedication.

FS1C	Mishaiye Mirukuri	4Kg
FS2B	Aazz Prasath	4Kg
1H	Skylar Balasote	10Kg
6C	Aleena Rizmi	28Kg
6H	Noah Francis	26Kg
7B1	Muadh Mohamed	3Kg
11G3	Thenuki Wasala	3Kg

Step 6: Moving Forward

This successful drive is a steppingstone to ongoing green initiatives at TWS. Our community remains dedicated to cultivating eco-conscious habits, empowering everyone to be a guardian of our planet.

Because every step counts, every voice matters — together, we power up the planet and brighten the future.

Sharaf DG Celebrates World Environment Day with TWS Students

To celebrate World Environment Day 2025, Sharaf DG visited The Westminster School to conduct a photoshoot and record videos featuring our students. The students shared inspiring messages about their involvement and contributions to the E-Waste Collection Drive, emphasizing the importance of recycling for a better tomorrow. These powerful stories were proudly showcased across Sharaf DG's digital channels as part of their World Environment Day campaign.

Aleena Rizmi (formerly 6C, now 7G6) for being recognized as a Top Contributor in the 2025 E-Waste Collection Drive organized by Sharaf DG, having collected 28 kg of e-waste. She was awarded a gift card worth AED 500 in recognition of her outstanding efforts.

We also congratulate Noah Francis (formerly 6H, now 7B2), who collected 26 kg of e-waste and received AED 200 as Runner-up 1, and Skylar Balasote Morilla (formerly 1H, now 2F), who collected 10 kg of e-waste and received AED 100 as Runner-up 2 for their commendable participation.

Well done to all three students for making a meaningful impact on the environment through their commitment to sustainability.

Students' Feedback:

I gave my old wires and broken phone to help the Earth. My teacher said I am a little planet helper! I feel proud because I love nature and want to keep it safe. **Mishaiye Mirukuri FS1C**

I brought old mobile phones, a printer, glucometer, remote control and other e-waste from home. Together, it weighed 10 kg! I'm happy to help the school keep the planet clean and green. **Skylar Balasote-1H**

My family and I collected nearly 28 kg of e-waste for the school drive! It felt amazing to know that something we didn't use anymore could be recycled to help the planet. I am proud to be the Sustainable Champion and hope to inspire others to do the same! **Aleena Rizmi 6 C**

When I brought our old TV and other broken electronics from home, I felt like I was doing something important. Instead of throwing them away, I helped give them a new purpose through recycling. Altogether, I contributed 26 kg of e-waste! It made me happy to support the E-Waste Drive and care for our planet. **Noah Francis-6H**

I brought in old mobiles, tablets, and tangled cables we no longer used at home. Contributing to the E-Waste Drive made me realize that even small actions can make a big difference. It felt good knowing I was helping reduce waste and protect the planet. I'm proud to be part of this green mission. **Tala Abubaker-7G2**

I brought a broken laptop, and adapters to the E-Waste Drive. It feels great to help protect the environment and be part of a bigger effort to create a greener future for everyone. **Muhammad Ahmed-8B6**

Teacher Feedback:

As a Sustainable Ambassador, I am proud to play my part in protecting our planet! I contributed around 15 kg of e-waste—things like cables, chargers, mobile phones, and a router. Every small effort count, and together we are making a big difference! **Ms. Jyoti Paraddi**

As a staff member and parent, I am proud to contribute around 12 kg of e-waste, including old mobile phones, cables, and a printer. It feels rewarding to support our school’s mission towards a greener future and teach our children the importance of caring for the planet. **Ms. Zaib Naeem**
